

IGNITE THE GUT REVOLUTIONIZE PERFORMANCE

Getting the right start is a critical step in ensuring calves reach their full potential in the feedlot or in the cowherd.

MasterHand Milling's Ignite Calf Booster fills gaps left by traditional starter feeds with concentrated energy, protein and powerful additives to provide the nutrition young calves need to grow quickly and efficiently. The dried distillers grain base creates a highly palatable, easy-to-feed pellet that draws calves to the bunk, gets them eating sooner and reduces the impacts of stress. With absolutely no fillers, binders or molasses, Ignite is naturally low in starch, limiting the risk of acidosis and other digestive issues.

When it comes to feeding calves, every mouthful matters. No other ingredient on the market provides the energy and protein power of distillers grain. Add the carefully selected ingredients in Ignite, and you have the building blocks to stimulate the rumen, maintain herd health and optimize growth.

Ignite the gut and you will revolutionize performance.

HIGH ENERGY CALF BOOSTER

- ✓ Promote fast, efficient growth
- ✓ Encourage calves to eat sooner
- ✓ Reduce stress and recovery time
- ✓ Stimulate rumen development
- ✓ Maintain gut health and digestion
- ✓ Support immune system function

“Originally designed to revolutionize the way we feed cows on grass, our DDG cubes and pellets have quickly proven to be just as effective at improving the growth performance of young cattle while decreasing labor and feed costs.”

- Dusty Turner, Owner

CHANGE THE WAY YOU FEED

IGNITE COMBINES THE POWER OF DISTILLERS GRAIN WITH PROVEN INGREDIENTS FOR MAXIMUM RESULTS.

AMAFERM®

This probiotic product increases feed intake, digestion and utilization by stimulating rumen fungi and bacteria activity.

THERMOCAL®

High-grade calcium supports gut health, improves digestion and increases nutrient utilization.

MINERAL PACK

A fortified trace mineral blend provides essential nutrients for bone and muscle development as well as immune system support.

DIATOMACEOUS EARTH

This organic compound serves as a natural defense against parasites and also helps promote proper digestion.

ESSENTIAL OILS

A proprietary blend of natural essential oils and botanicals helps relieve inflammation and boost immune function.

INGREDIENTS

Processed Grain By-Products, Dicalcium Phosphate, Monocalcium Phosphate, Salt, Calcium Carbonate, Plant Protein Products, Magnesium Sulfate, Potassium Sulfate, Potassium Chloride, Magnesium Oxide, Diatomaceous Earth, Dextrose, Silicon Dioxide, Natural Flavors, Roughage Products, Sodium Hexametaphosphate, sodium Chloride, Dried Aspergillus Oryzae Fermentation Product, Vitamin E Supplement, Vitamin A Supplement, Vitamin D3 Supplement, Manganese Sulfate, Zinc Hydroxychloride, Basic Copper Chloride, Copper Sulfate, Sodium Selenite, Ferrous Sulfate, Zinc Amino Acid Complex, Copper Amino Acid Complex, Manganese Amino Acid Complex, Artificial Flavor, Ethylenediamine Dihydriodide, Cobalt Carbonate, Iron Amino Acid Complex, Cobalt Glucoheptonate.

FEEDING INSTRUCTIONS

Feed as primary ration at a rate of 2-3 lbs per head per day. Always provide fresh water and adequate forage.
